

**FREIGHT TARGET DATES & TIMES**

The tremendous size of the SEMA Show 2022 necessitates a scheduled freight move-in plan that ensures an orderly and efficient set-up. Each exhibitor is assigned a target time. This is the time your exhibit freight must arrive at the SEMA Show.

- Make arrangements with your freight carrier to arrive at your assigned target time (some van lines and common carriers may not be willing to provide Saturday and/or Sunday delivery service).
- Freeman Marshaling Yard accepts certified weigh tickets.
- It may take one to five hours for your freight to clear the marshaling yard, travel to the convention center, get off-loaded at the freight door and delivered to your booth.
