

Exhibitor & Official Services Contractor Information - LVCC

Show Management has selected Freeman to be the Official Services Contractor for your upcoming show. As the Official Services Contractor, Freeman has the responsibility for material handling, electrical, all suspended rigging and booth cleaning services. We hope this document will assist you in planning for your upcoming event.

To help you understand the Official Services Contractor responsibilities, we ask that you read and observe the following to aid in a smooth and efficient move-in and move-out of the trade show.

Freeman requests that exhibitors do not tip its employees by giving money, merchandise or other special consideration for services rendered. Exhibitors should not give coffee breaks other than mid-morning and mid-afternoon when employees have a fifteen-minute paid break. Any attempts to solicit gratuity by an employee for any service should be reported immediately to a Freeman supervisor. Freeman employees are paid an excellent wage and tipping is not an accepted company policy.

Freeman craftsmen at all levels are instructed to refrain from expressing any disputes or directly challenging the practices of any exhibitor. All questions arising about the jurisdiction or practices must be directed to a Freeman management representative.

Per show management

Material handling

Exhibitors may:

- As an exhibitor you may “hand carry” material. Hand carry is defined as small items such as cartons and packages that an exhibitor can carry.
- Any mechanical assistance is limited to a small lightweight luggage cart.
- The assistance of any motorized device or pallet jack is not permitted.
- When exhibitors choose to “hand carry” they may not access designated material handling areas.
- Must use specified exhibitor hand carry areas or main entrance of the facility.
- In all other circumstances items should be considered material handling.

In no circumstance is any exhibitor authorized to use Freeman material handling equipment for any purpose.

Freeman responsibilities:

- Freeman has been contracted to be the exclusive provider for material handling contract services as ordered by the exhibitor.
- Freeman has the responsibility to manage all freight docks and to schedule all vehicles into and out of all designated material handling areas for the show. This will ensure smooth, orderly and efficient move in and move out of the tradeshow.
- Freeman has the sole responsibility for loading and unloading all trucks, trailers, common and contract carriers at its facilities or designated material handling areas.
- Freeman is not responsible for any material it does not handle.

Electrical

Exhibitors may:

The following work may be performed by the exhibitor's full-time company employees with positive identification such as a medical card or payroll stub but may not be performed by your Exhibitor Appointed Contractor (EAC).

- Plug in equipment into any 20A/120VAC receptacle.
- May hang up to four small clip-on lights per booth.
- May connect modems, printers, computers and keyboards, test and tune their own equipment, and run their own communications cable between machines in the same booth above the booth carpet.
- Mounting of monitor apparatus (to include plasma screens, LCD & CRT) and the installation of hanging brackets.

Freeman responsibilities:

- All electrical distribution.
- All under-carpet electrical distribution.
- Any additional electrical requirement needs or changes to preorders.
- Distribution and connection of all power more than 20A/120V.
- Distribution and connection of all 208V and 480V power.
- Distribution of all electrical equipment necessary to provide electrical service.

Non-electrical hanging signs

Exhibitors may:

- Install and dismantle a non-electric sign attached to a booth by the exhibitor's full-time employee or approved EAC.

Freeman responsibilities:

- Assembly and disassembly of hanging signs under 200 lbs.
- Hanging of non-electrical signs and decorative materials from the ceiling (under 200 lbs.).

Rigging / electrical hanging signs and truss

Exhibitors may:

- Exhibitors may not install or assemble electrical hanging signs and truss.

Freeman responsibilities:

- Assembly and disassembly of electrical hanging signs, including rotating and header signs.
- Lighting without dimmers.
- Programmable theatrical lighting, production, related rigging and audio-visual.
- Suspended trusses with or without legs that contain dimmable or programmable lighting, studio or motion picture lighting, sound system projectors and/or video wall.
- Hoist ground-supported stand-alone truss whose sole purpose is overhead distribution of electrical.
- Suspended truss with motorized hoist and non-dimmable and non-programmable lights.
- Installing chain hoist.
- Special effects equipment.

Subject to change.

- Laser lighting.
- Video monitors and plasma screens including units fed by a live camera or are part of a multi-screen coordinated image.

Ground supported truss and lighting

Exhibitors may:

- Ground-supported truss that is “booth structure” or mixed-use truss may be assembled by you, your full-time employee or by an approved EAC.
- Truss, which is not assembled by Freeman, is subject to all electrical rules and jurisdictions in regard to any electrical work in the truss.

Freeman responsibilities:

- Installation and dismantle of self-climbing and/or mechanized truss systems.
- Installation and dismantle of any programmable dimmable lighting fixtures that are attached to any ground-supported truss.
- Meeting room ground supported truss for the purpose of audio, visual, and theatrical lighting.

Booth cleaning and porter service

Exhibitors may:

- Clean and wipe down products and display merchandise and other parts of the exhibit.
- Exhibitor Appointed Contractors (EAC's) are not permitted to vacuum or utilize floor cleaning equipment on the show floor.

Freeman responsibilities:

- All booth vacuuming and porter service.

Booth installation and dismantle

Exhibitors may:

- As an Exhibitor you may choose to utilize your own personnel to set up and dismantle your exhibit.
- If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card or payroll stub.
- You may hire Freeman to act as your Exhibitor Appointed Contractor (EAC) to perform this work.
- You may hire an Exhibitor Appointed Contractor (EAC) to perform this work.
- All EAC's must have the appropriate credentials submitted to Show Management and the facility.
- For safety reasons, exhibitors may not do any installation work requiring standing on a ladder over 30 inches high.

Freeman responsibilities:

- When it comes to installation and dismantling of exhibits, no one does it better than Freeman. With more than 75 years of experience, our group of specialists are ready to assist you with all your exhibit requests from beginning to end. Whether you choose to supervise or need the assistance of a full-time Freeman employee, we can meet all your needs, from shipping and storage to emergency on-site repairs to basic installation and dismantling to support service coordination including electrical, furnishings and more. Freeman has the resources and the capabilities to help you have the most successful show experience possible.
- To secure Freeman labor, please utilize the labor forms enclosed. Skilled Freeman Labor is available to act as your EAC.

Subject to change.

Cameras, audio and video systems

Exhibitors may:

- Install exhibitor's own manufactured cameras by exhibitor's full-time employees.
- Exhibitors may elect to staff certain positions:
 - Technical Director
 - Lighting Designer
 - Video Engineer or Audio Engineer
 - Slow Motion Machine Operator
 - Advance Projectionist
- Install and operate their own manufactured or product systems when less than 20 amps and not suspended from ceiling
- Plug in small sound devices
- Audio Board Operator
- Video Board Operator
- Live Camera Operator
- Lighting Board Operator

Freeman Responsibilities:

Freeman will be responsible for the following staffing when an integrated system draws more than 20 amps or is suspended from the ceiling:

- Crane Operator
- Audio Technician
- TV Sound Boom Operator
- Character Generator
- Advanced Audio-Visual Technician
- Tape Operator
- Audio Visual Technician
- Video Wall Technician
- Video Utility Person
- Assistant TV Audio Tech
- Projectionist
- High Rigger
- Ground Rigger
- Lighting Tech

Telephone

Exhibitors may:

- May plug and unplug their phones, modems, faxes or credit card readers.

Provider responsibilities:

- Cox must distribute all concealed and under-carpet wiring.
