FREE 1000 LBS PROGRAM (POV)

To assist exhibitors that have less than 1000 lbs. of freight and are bringing it in themselves in a Privately Owned Vehicle (POV), SEMA provides a program with Freeman to assist these exhibitors at no charge. Specifics are below.

Do I Qualify?

To qualify for the Free 1000 lbs. Program, also known as the “POV Free Cart Service”:

- Your total exhibit freight can weigh no more than 1000 lbs.
- Freight must arrive in a privately owned or rental vehicle (i.e. car, pickup, minivan, U-Haul, trailer or rig), and must be driven by your own employee and not brought in by a third party.

NOTE: If you utilize the free service but then ship additional freight to the Show, you will be charged the current on-site material handling rate for **all** of your freight.

Privately Operated Vehicles (POV)–Free Cart Service

- POV Cart Service is available during move-in, Saturday and Sunday, 8:00 a.m.-5:00 p.m.; and Monday, 8:00 a.m.-2:30 p.m. Check in at the Freeman POV Service Desk at each hall location, and Freeman will unload and deliver the freight to your booth at no charge.
- POV Cart Service is available during move-out, Friday 5:00 p.m.–10:00 p.m., and Saturday 8:00 a.m. - 12:00 p.m. Go to the Freeman Service Desk in your hall to utilize this service.

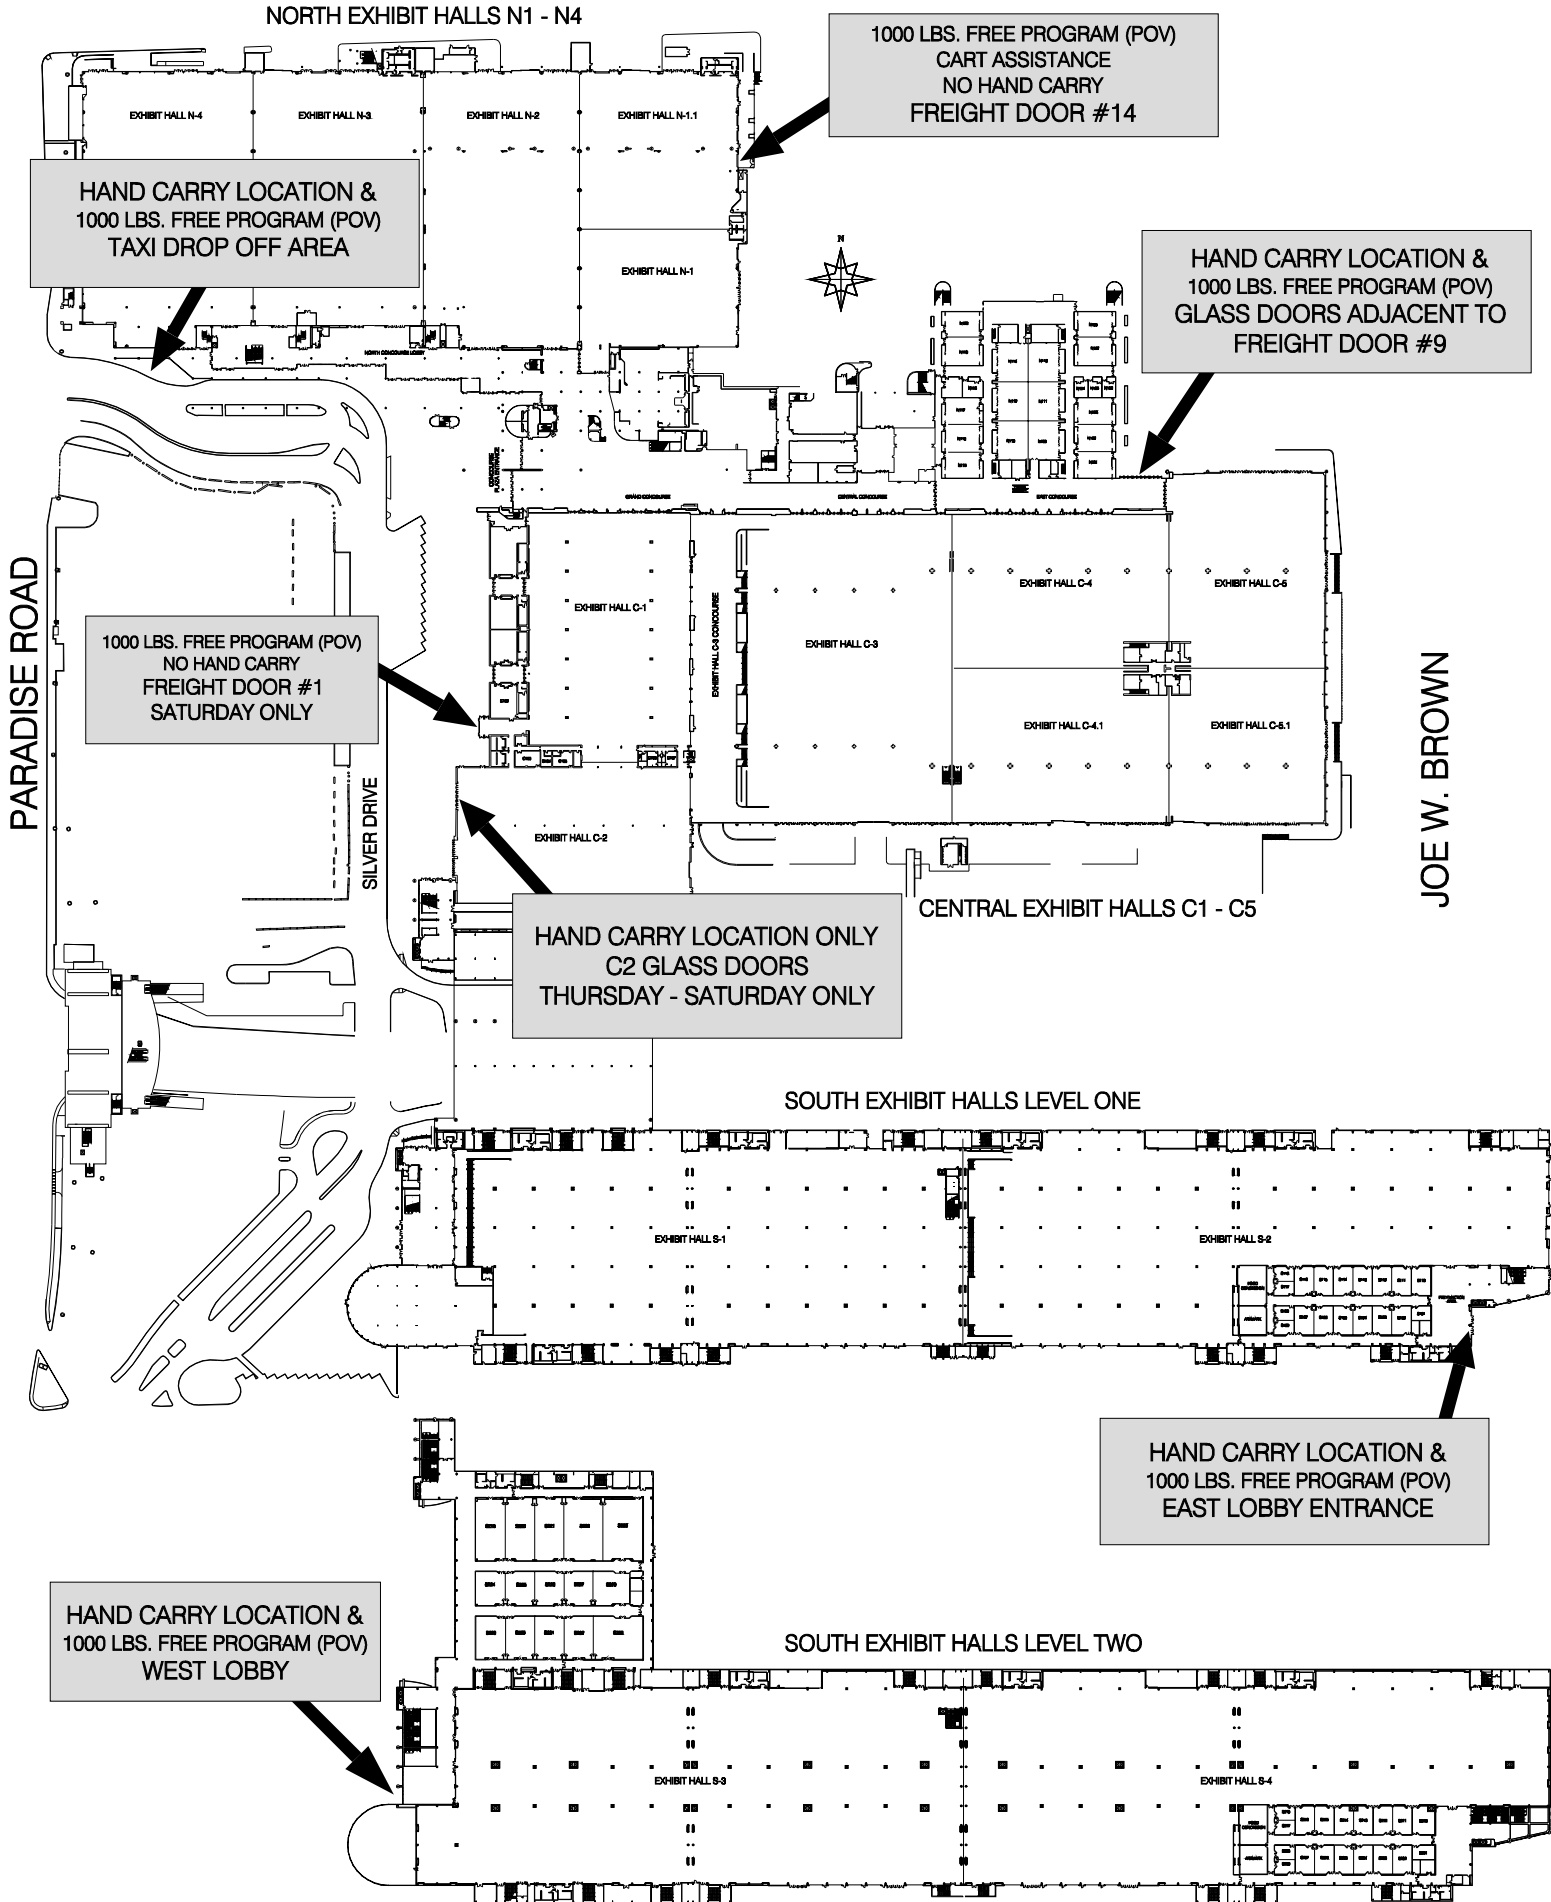

Where to go:

Drive to the POV location nearest your booth to unload. The locations are: (see attached map)

- North Hall: Glass doors at Taxi drop-off in the front of the building
- North Hall: Freight door #14 (rear of North Hall; use the North Road between LVH and the convention center for access)
- Central Hall: Freight Door #9 (northeast corner of Central Hall off of Joe W. Brown Drive)
- South Hall: Glass doors in front of the hall (West Lobby)
- South Hall: Glass doors in back of the hall (East Lobby)

For freight that does not qualify for the program listed above, refer to the **Material Handling/Freight Order** form.
