Education Days: October 29 – November 2, 2012

## HAND CARRY FREIGHT SERVICE

You may hand-carry your freight with the following restrictions:

- Use of a small, two-wheel dolly is permitted. Other wheeled devices are prohibited.
- Booth materials and product must be carried by one person at a time only. If it requires more than one person to carry, then it will not qualify.
- Only company employees can hand-carry freight.
- Exhibitors must bring an additional person to stay with the vehicle while unloading/loading.

### Where to go:

Drive to the Hand-Carry Freight Door nearest your booth to unload. The locations are (see map below):

- North Hall: Glass doors at Taxi drop-off in front of the building
- Central Hall: Glass doors adjacent to Freight door #9 (northeast corner of Central Hall off of Joe W. Brown Drive)
- Central Hall: C2 glass doors in front of Central Hall (Thursday–Saturday only)
- South Hall: Glass door front of hall (West Lobby)
- South Hall: Glass doors back of hall (East Lobby)

For freight that does not qualify for the program listed above, refer to the **Material Handling/Freight Order** form.

**Questions?** E-mail Jennifer Carr at [exhibitorinfo@sema.org](mailto:exhibitorinfo@sema.org) or call 702/216-5852.
