

**EXHIBITOR AND OFFICIAL SERVICES CONTRACTOR INFORMATION**

Show Management has selected Freeman & Freeman Event Technology to be the Official Services Contractor for your upcoming show. As the Official Services Contractor, Freeman has the responsibility for material handling, electrical, all suspended rigging and booth cleaning services. We hope this document will assist you in planning for your upcoming event.

To help you understand the Official Services Contractor responsibilities, we ask that you read and observe the following to aid in a smooth and efficient move-in and move-out of the trade show.

Freeman requests that exhibitors do not tip its employees by giving money, merchandise or other special consideration for services rendered. Exhibitors should not give coffee breaks other than mid-morning and mid-afternoon when employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a supervisor of Freeman.

Freeman craftsmen at all levels are instructed to refrain from expressing any disputes or directly challenging the practices of any exhibitor. All questions arising with regard to the jurisdiction or practices must be directed to a FREEMAN management representative located at a Freeman Service Desk in each hall.

**PER SHOW MANAGEMENT**

<b>TASK</b>	<b>EXHIBITORS MAY</b>	<b>OFFICIAL CONTRACTOR RESPONSIBILITIES</b>
<b>Material Handling</b>	<ul style="list-style-type: none"> <li>• As an exhibitor you may "hand carry" material. Hand carry is defined as small items such as cartons and packages that an exhibitor is able to carry.</li> <li>• Any mechanical assistance is limited to a small dolly.</li> <li>• The assistance of any motorized device or pallet jack is not permitted.</li> <li>• When exhibitors choose to "hand carry" they may not access designated material handling areas.</li> <li>• Must use specified exhibitor hand carry areas or main entrance of the facility.</li> <li>• In all other circumstances items should be considered material handling.</li> <li>• Exhibitors with 400 sq. ft. or less will receive 500 lbs. of material handling at no charge.</li> </ul> <p><b>In no circumstance is any exhibitor authorized to use Freeman material handling equipment for any purpose.</b></p>	<ul style="list-style-type: none"> <li>• Freeman has been contracted to be the exclusive provider for material handling contract services as ordered by the exhibitor.</li> <li>• Freeman has the responsibility to manage all freight docks and to schedule all vehicles into and out of all designated material handling areas for the show. This will assure the smooth, orderly and efficient move in and move out of the tradeshow.</li> <li>• Freeman has the sole responsibility for loading and unloading all trucks, trailers, common and contract carriers at its facilities or designated material handling areas.</li> <li>• Freeman is not responsible for any material it does not handle.</li> <li>• For the convenience of all exhibitors on the show, order forms for material handling services are included in this service manual.</li> </ul>
<b>Electrical</b>	<p>The following work may be performed by the exhibitor's full-time company employees with positive identification such as a medical card or payroll stub but may not be performed by your Exhibitor Appointed Contractor (EAC).</p> <ul style="list-style-type: none"> <li>• Plug in equipment into any 20A/120VAC receptacle.</li> <li>• May hang up to four small clip-on lights per booth.</li> <li>• May connect modems, printers, computers and keyboards, test and tune their own equipment, and run their own communications cable between machines in the same booth above the booth carpet.</li> <li>• Mounting of monitors (to include plasma screens, LCD &amp; CRT) and the installation of hanging brackets.</li> </ul>	<ul style="list-style-type: none"> <li>• All electrical distribution.</li> <li>• All under-carpet electrical distribution.</li> <li>• Any additional electrical requirement needs or changes to preorders.</li> <li>• Distribution and connection of all power in excess of 20A/120V.</li> <li>• Distribution and connection of all 208V and 480V power.</li> <li>• Distribution of all electrical equipment necessary to provide electrical service.</li> </ul>
<b>Non-Electrical Hanging Signs</b>	<ul style="list-style-type: none"> <li>• Install and dismantle a non-electric sign attached to a booth by the exhibitor's full-time employee or approved EAC.</li> </ul>	<ul style="list-style-type: none"> <li>• Assembly and disassembly of hanging signs.</li> <li>• Hanging of non-electrical signs and decorative materials from the ceiling.</li> <li>• Installing chain hoist and attaching signs (over 250 lbs).</li> </ul>
