## UPDATE YOUR SEMA SHOW DIRECTORY LISTING

---

Included with your booth is a listing in the *SEMA Show Directory*. In early August, your company's designated SEMA Show contact will receive an email with specific instructions on how to update your company's *SEMA Show Directory* listing.

**The deadline to update your listing printed in the SEMA Show Directory is Friday, August 24, 2018.**

The *SEMA Show Directory* is contained in the November issue of *SEMA News* and is mailed to industry professionals the weeks leading up to the SEMA Show. Additional copies are distributed on-site at the Show.

If you have any questions or need assistance regarding your company's directory listing, contact Brendan Gillespie at [brendang@sema.org](mailto:brendang@sema.org) or 909-978-6661.
