HEAVY MACHINERY HANDLING SERVICES

Freeman has developed special Heavy Machinery Rates for the show. These rates are designed specifically for those companies exhibiting heavy machinery equipment, including spray booths.

If you are bringing machinery to the show, please fax the details of your shipment to us at (702) 579-6187. This will assist us in determining if you qualify for these rates.

- Rates include all labor and equipment required to unload machinery at show site, delivery to the designated booth and removal of it from the booth for reloading onto outbound carriers.
- Rates below apply to machinery with proper lifting bars, points, hooks, or machinery that is skidded or crated which may be moved on or off the loading dock, vehicle or show floor by a forklift with NO special handling required. Forklift lifting points must be clearly marked. This does not apply to display materials.
- If it is necessary to unskid the machine before removing it from the container, labor and equipment charges will be added to the stated rates. **Please refer to the "Forklift & Rigging Labor Order Form".**
- **Machinery shipments arriving on the same day will be combined as a cumulative weight for that day. There will be NO weight consolidation of shipments arriving on different days.**
- Certified weight tickets are required. Separate weight for display materials and machinery equipment are required. If the weight is not separated and/or materials are not identified properly, the Material Handling rate will prevail.
- Freeman retains the right to determine whether or not the materials qualify for the machine rate.
- Machinery will be spotted with a 6" tolerance one time after removal from the truck, provided the following conditions are met:
 1. The exhibitor, or his representative, must be there to supervise the spotting.
 2. The area within the booth is clearly marked to indicate the machine's position.
 3. No rigging, bolting or unbolting, un-skidding or attaching to other equipment must be done.
 4. Vehicles must be checked in no later than 2:00 p.m. to be unloaded on straight time. Vehicles checking in after 2:00 p.m. cannot be guaranteed unloading at straight time rates.

**PLEASE NOTE: MACHINERY SHIPMENTS WILL NOT BE ACCEPTED AT THE WAREHOUSE.
ALL MACHINERY SHIPMENTS SHOULD BE SENT DIRECTLY TO SHOW SITE.**
