INSTRUCTIONS

- All eligible companies must submit the "Lights Out Request" to Show Management and Freeman by OCTOBER 12, 2018.
- The LVCC lighting system is set up in light banks of three (3) lights and/or individual circuits depending upon the location in the hall.
- Some areas of the Central Exhibit Hall may require a condor and crew to turn lights off.
- It may not be possible to turn off individual lights without turning off all lights in a particular bank.
- If the lights you have requested to be turned off are in a bank of lights, it may be possible to delete individual lights if accessible.

ASSISTANCE

- For questions regarding the placement and number of lights above your booth, please contact the Freeman Electrical Department at (702) 579-1700.
- To determine whether a condor and crew will be needed, please contact the Freeman Electrical Department at (702) 579-1700.
