

What can the Global Tire Expo do for YOU?

Plenty if you're here. Nothing if you're not. The **Global Tire Expo** is a huge part of the SEMA Show—an impressive show-within-the-show that gives you up-close access to exactly what you need. Make your plans now, and help yourself to all that GTE's got for you:

- ▶ **Great new products and ideas** to increase traffic, sales and profits.
- ▶ **Major tire manufacturers**, the important contacts you need.
- ▶ **The newest technology** for all your core markets: automotive, commercial, performance, OTR, retreading, recycling and more.
- ▶ **All the trends** that drive demand and keep you strong against growing competition.
- ▶ **The newest wheel designs and products** to help you capitalize on the #1 vehicle modification.
- ▶ **New suppliers and first-time exhibitors** launching their innovations.
- ▶ **Opportunities to add new profit centers** with high-margin truck, SUV and automotive accessories.
- ▶ **Free Education** specifically to help tire dealers run a better business.

Get up close and personal with all your best opportunities.

Your customers want what's new.

Head to the **Global Tire Expo** at the 2012 SEMA Show. Because if you want the new trends, hot brands and innovative technology to fuel your sales and keep your customers coming back for more, nothing works harder for you than the tire and equipment industry's main event.

Get to **Global Tire Expo** at the SEMA Show. Give your customers what they want.

GTE at the SEMA Show PERFORMS.

If you're looking for ways to increase sales and grow productivity and profits, the smart money's on the Global Tire Expo—powered by TIA. Invest in a quick trip to Las Vegas. **Put your money where your opportunities are.**

See it all up-close.

Easy access to the in-demand products and new technologies that are fueling the latest trends: airless tires; fuel-efficient tires; eco-tires; winter tires; UHP touring tires, high-performance street radials and so much more.

Get your hands on "hot."

Next year's big news on full display—product debuts and leading-edge innovation to satisfy your tech-savvy customers.

Connect with the right people.

230+ Global Tire Expo exhibits—all the big brands and top suppliers, plus up-and-comers and outside-of-the-box exhibitors you'll find only here.

Check out opportunities.

Thousands of crossover moneymakers—the widest range of performance products and appearance accessories, plus hands-on demonstrations and technical workshops to show you how to sell and install them.

Learn—for free.

High-level training from tire experts at TIA's information-packed seminars, in four tracks to deliver the topical answers, ideas and support you need right now.

Take it all in at the SHOW FOR TIRE PROS.

Action and excitement: celebrities, live-action proving grounds, lots of great networking with your peers—and 1,500 sweet custom rides to awe and inspire.

MAKE IT PERSONAL.

What crossover products are the best fit for your dealership? Get a first-hand, up-close look at the possibilities, and find the right products to add revenue and bring in more customers. Show sections organized by segment let you work your options side by side and make the right buying decisions.
