Show Management will contact Exhibitor following submission of the Exhibit Space Rental Application if it finds issues with the application. Show Management will not accept an Exhibit Space Rental Application unless and until the applicant fully complies with all the requirements set forth in the Exhibit Space Rental Application and the Rules, including the eligibility requirements, payment terms and submission of letters of appointment (if requested by Show Management). Exhibitor’s Exhibit Space Rental Application, as modified if applicable, is considered accepted by Show Management upon Show Management’s sending of the Exhibit Space Confirmation to Exhibitor pursuant to Section 6 (“EXHIBIT SPACE ASSIGNMENT”) below. Upon acceptance of the Exhibit Space Rental Application by Show Management, its contents, as modified if applicable, shall become a legally binding agreement for exhibit space between the Exhibitor and Show Management, subject to the terms and conditions herein. Exhibitor agrees to accept and, when requested, to promptly respond to Show information sent by SEMA via e-mail, fax or any other method of communication.

B. Exhibit Fees. The cost for exhibit space is \$21.95 per square foot for SEMA or TIA members (“Member Rate”) and \$36.95 per square foot for non-members. Island exhibits are an additional \$3,990. Peninsula exhibits are an additional \$1,000.00. D. Space-Size Growth Limitations. Companies that have previous participation in the Show with exhibit space sizes greater than or equal to 400 square feet may not increase their space-size request for 2019. Companies that have previously exhibited with less than 400 square feet may increase to a maximum size of 400 square feet. Companies with prior participation that were not in the 2018 Show may apply at the size they were the year they last officially participated. Show Management reserves the right to make changes to serve the best interest of the Show.

E. Payment Schedule. Payments may be made by credit card, wire transfer or check (in U.S. funds drawn on a U.S. bank only). Checks must be made payable to SEMA and mailed to 1575 South Valley Vista Drive, Diamond Bar, CA 91765-3914. Unless otherwise agreed upon by SEMA, in its sole discretion, Exhibitor has the following three options for payment of their booth space:

- i. Payment Option 1: 100% deposit submitted with Exhibit Space Rental Application.
- ii. Payment Option 2: 50% deposit submitted with an Exhibit Space Rental Application received by July 9, with the remaining balance due by August 1. 100% deposit is required with all Exhibit Space Rental Applications received after July 12.
- iii. Payment Option 3: 25% deposit paid by credit card only submitted with an Exhibit Space Rental Application. The remaining balance due in three equal payments paid by credit card of 25% each, due on May 28, July 9 and August 1. (Credit card is auto charged for these remaining payments by SEMA.) This payment option will not be available for Exhibit Space Rental Applications received after May 6.

F. Amendments to the Exhibit Space Rental Application. It is understood and agreed that any changes or modifications to the Exhibit Space Rental Application following the initial submission of the Exhibit Space Rental Application that are requested by an Exhibitor shall be considered accepted and approved by Show Management if notification is provided by Exhibitor to, and received by, Show Management by any form of written communication and notification of Show Management approval is sent back to Exhibitor by any form of written communication. Changes may include, but not be limited to, modifications to exhibit size, location, configuration, payment terms or cancellations by Exhibitor. Show Management shall consider email by and to Exhibitor as acceptance of such changes, and thereby modify the exhibit fees due from Exhibitor pursuant thereto. If any changes to the Exhibit Space Rental Application increase the fees due to SEMA for the booth space, SEMA shall be authorized to make immediate charges to Exhibitor's credit card on file in order to ensure Exhibitor is current on its payment plan, as then on file with SEMA pursuant to the Exhibit Space Rental Application or any subsequent agreement for payment terms. Changes initiated by Show Management to Exhibitor's exhibit space shall be communicated in writing to the email address provided by Exhibitor on the Exhibit Space Rental Application, and all such communications will be interpreted as read and accepted unless Exhibitor objects in writing to Show Management within five (5) business days.

G. Cancellations and Refunds. Cancellation of all or any portion of any exhibit space by Exhibitor must be made in writing to Show Management. The following refund schedule for cancellations by Exhibitors will be strictly followed, determined by when written notification is received by Show Management, regardless of when Exhibitor enters into the Agreement:

- Exhibitor shall receive a full refund of all monies deposited to Show Management provided written notification is sent to Show Management no later than the close of one business day following Exhibitor's selection of booth space. Exhibitor's "selection of booth space" shall be the date on which Exhibitor is scheduled to select booth space based on the exhibit space selection order, which is determined in the last week of April. With respect to this subsection, it is irrelevant whether the Exhibitor, or a proxy for Exhibitor, selects the booth space.
- Effective one business day following Exhibitor's selection of booth space, as determined immediately above, through August 2, Show Management shall retain 50% of rental cost of each space canceled, as liquidated damages.
- Beginning August 3, Show Management shall retain 100% of rental cost of each space canceled, as liquidated damages.

No refunds are given after August 3 for any reason whatsoever, even if the Show is sold out. Refunds and liquidated damages are based on full exhibit space rental cost and not the deposit. Exhibitors canceling a portion of the contracted space cannot apply deposits for the canceled portion to the remaining contracted space. Show Management shall not be liable for interest on any amount refunded. Exhibitor is responsible for all bank fees incurred in payment of any fees related to the Show. Reduction of booth space, at any time, may result in the relocation of an exhibit. Cancellation monies cannot be applied to future shows.

At its discretion, if at any time Show Management deems an exhibit, Exhibitor or an exhibit's contents objectionable, Show Management reserves the right to remove and/or cancel the exhibit space or any portion thereof at Exhibitor's sole expense. This reservation includes persons, things, conduct, printed matter, signs, products or any item of poor character, which, in the sole judgment of Show Management, is detrimental to or unsuitable for the Show or jeopardizes the Show's safe operations. This right may be exercised by Show Management at any time, regardless of whether it is before the Show or during the Show. In the event the right is exercised during the Show, Show Management shall not be liable for refund of exhibit space rental fees, exhibit equipment rental fees or any other expense incurred by reason of Show Management's removal of objectionable contents or cancellation of the exhibit space or any portion thereof. Exhibitor hereby expressly waives any and all rights and claims, actions and demands for damages, costs and expenses, including without limitation, legal fees, lost profits, and costs of goods sold, against the Facility, Show Management, their directors, officers, agents, employees and/or servants for such removal and/or cancellation.

5. ELIGIBILITY

Show Management reserves the right to determine eligibility of Exhibitor for inclusion in the Show prior to, or after, submission of the Exhibit Space Rental Application. Show Management will determine the appropriateness of products to be exhibited by their distinctive characteristics or performance capability. Show Management also reserves the right to prohibit display or advertisement of products at any time if display or advertisement of such products would not meet Show objectives or would cause Exhibitor to be in violation of these Exhibitor Rules & Regulations, the Exhibit Display Regulations, or the Intellectual Property Rights Policy.

A. Exhibitor Categories. To exhibit in the Show, Exhibitor must meet at least one of the following criteria:

- Manufacturers are companies that have products to display which are manufactured, packaged or marketed under Exhibitor's proprietary trade style or brand name. Companies that exhibit as a Manufacturer can only display those products for which it is the manufacturer and exclusive rights holder to distribute the product(s) in the United States, and must furthermore comply with Section 7.E. below.
- A company that has an exclusive contract or agreement to sell a particular proprietary brand of products in the United States shall be considered an Exclusive Distributor. Exclusive Distributors must provide Show Management documentation to substantiate compliance with these criteria. Exclusive Distributors must submit a Letter of Appointment from the Manufacturer on the Manufacturer's letterhead, within fourteen days (14) of submission of the Exhibit Space Rental Application, regardless of whether Exhibitor has exhibited as an Exclusive Distributor in previous years. Show Management has the unilateral right to terminate the Agreement of an Exclusive Distributor, at any time, if the Exclusive Distributor fails to provide a letter of appointment to Show Management that is valid through the 2018 Show. Only those products, brands, trade names, logos or intellectual property for which the Exclusive Distributor has the exclusive rights in the United States may be displayed in the exhibit. Products, services or brands for which an Exhibitor is a non-exclusive seller may not be displayed, referred to in line cards, catalogs, signs, flyers or brochures, or depicted anywhere in the exhibit.
- Service Providers may exhibit given that the service is provided to, or for, the automotive industry. Notwithstanding the foregoing, Show Management has the sole and exclusive right to accept or deny a service provider if it finds such acceptance or denial is in the best interest of the Show.
- Warehouse Distributors may exhibit its services as a Warehouse Distributor, but may not exhibit its own proprietary product, under any conditions, in the same exhibit space in which it is displaying its service as a Warehouse Distributor. Products, services or brands for which a Warehouse Distributor is a non-exclusive seller may not be displayed, referred to in line cards, catalogs, signs, flyers or brochures, or depicted anywhere in the exhibit. These products can be referred to in corporate capability brochures only. Booth vehicles are permitted in a Warehouse Distributor's booth providing they are race vehicles and have no affiliation with a specific manufacturer. Any representation on the car of a sponsoring company can be no more than 50 square inches and a maximum of three inches high. There can only be two representations of a company on the vehicle. Exhibitor must submit a photo of the vehicle to Show Management and receive written approval from Show Management.

B. Permitted Products. Products displayed must be automotive or powersports parts, accessories, equipment or automotive and powersports industry-related products or services. Exhibitor agrees to advertise or display only such products that are intended for and generally used in a manner that conform to State, Federal, or other applicable laws or regulations. No other products may be displayed or promoted. Exhibitor shall not have in its booth any product or display or distribute advertisements for a product that infringes upon the registered trademark, copyright or patent of another company. If a request is submitted to Show Management for enforcement of certain Intellectual Property Rights against an Exhibitor, Show Management shall be under no obligation whatsoever to facilitate or enforce such requested action unless under specific orders from a court of competent jurisdiction.

It is understood and agreed that Exhibitors are not permitted to sell products for delivery at the Show unless such sale is approved in writing by Show Management. Orders may be taken for future delivery only. Product inventory in booths must be of an amount utilized for display only and may not be for delivery or resale at the Show. Any extra inventory deemed by Show Management to be more than necessary or reasonable for display purposes only will be removed by Exhibitor or confiscated by Show Management, at Exhibitor's expense.

C. Non-Exhibiting Manufacturers Products. Exhibitor may not display products or signage in or above their booth from eligible non-exhibiting companies unless approved in writing by Show Management. There can be a maximum of two representations for a non-exhibiting company on vehicles of no more than 50 square inches each. Representations by and/or media activities of non-exhibiting companies are prohibited at the Show.

6. EXHIBIT SPACE ASSIGNMENT

A. Space Selection Process. The method of determining space assignment is established by Show Management and may be changed from time to time without notice to exhibitors in order to accommodate that which Show Management perceives as being in the best interest of the Show. No rights or privileges are created for any Exhibitor as a result of previous space assignments or years of participation in the Show. Notwithstanding the foregoing, space selection is determined by seniority. Immediately set forth below is the current space selection process:

- i. Exhibit Space Selection Order. After the published deadline for submitting the Exhibit Space Rental Application, the Exhibit Space Selection Order will be established to determine each company's selection time within each seniority group. A company typically earns one seniority point for each year it has exhibited at the Show. SEMA-member and TIA-member companies are given first priority of selecting space. SEMA and TIA member companies select before nonmembers, regardless of seniority. Member companies with the highest seniority points are given the first choice, followed by member companies with one less seniority point, and so on. Nonmember companies follow the same process after all member companies have selected.
- ii. Assignment Package. Shortly after the Exhibit Space Selection Order is established, each exhibitor will receive an e-mail addressed to the designated "Exhibitor Representative" with the Exhibitor's Assignment Package, which includes information related to their space selection date and time. The Assignment Package e-mail will include the company's seniority and selection time, which will be a time range of one hour. Important information about the space selection process and a link to the relevant floor plan will also be included.
- iii. Space Selection. As each exhibitor's Exhibit Space Selection Order number comes to the top, Show Management will attempt to reach that exhibitor by telephone at the number provided on the Exhibit Space Rental Application. If the contact is not available at the telephone number provided, Show Management will attempt to reach the exhibitor contact at each number indicated on the Exhibit Space Rental Application. During the call, the exhibitor will be asked to view the current online floorplan, which is updated approximately every 30 minutes during space selection, and select its company's space from the available booths in the pre-designated section. The exhibitor and Show Management view the floorplan at the same time and Show Management will use its best efforts to advise the exhibitor in finding the most desirous exhibit spaces available. If the exhibitor contact is not available, or Show Management is unable to reach the exhibitor contact or another authorized person at the Exhibitor's company, then Show Management will select a booth space for Exhibitor based on what they deem to be the most desirous booth space still available in the pre-determined section.
- iv. Proxy. Exhibitors may appoint a non-company representative to select its space. In order to do so, exhibitor may complete a proxy form on www.SEMAShow.com or email Show Management directly prior to space selection.
- v. Section & Size Changes. There shall be no section changes during the space selection. Size changes may be accepted on a limited basis, provided it can be accommodated and will not impede Show Management's ability to accommodate all other requests previously submitted by every other Exhibitor.
- vi. Exhibit Space Confirmation. Exhibit Space Confirmations are sent by email to each exhibitor after space is selected, which is customarily on the same business day in which space is selected. Included in the Exhibit Space Confirmations are (i) the number of the booth selected; (ii) any restrictions that may apply to the booth selected; (iii) pillar diagrams, if applicable; (iv) explanation of any modifications made to the Exhibit Space Rental Application, if applicable; and (v) further instructions and guidance on how to prepare for the Show.

B. Section Qualification. To qualify for a particular Show section, a minimum of 75% of the product or services on display and the marketing materials being distributed must be specific to that section.

C. Floor Plan. Show Management reserves the right to rearrange exhibitors or adjust the floor plan to accommodate the best interest of the Show. The floor plan maintained by Show Management shall be the official floor plan. Changes may occur at any time to accommodate Show needs.

D. Booth Change Request List. In order to be placed on a "Booth Change Request List" for an improved booth location, Exhibitor must submit the online application for booth change requests, which is available on www.SEMAShow.com. Exhibitors, Exhibitor information. An exhibitor must be current in accordance with their given payment plan for all exhibit fees, membership dues and sponsorship fees due to SEMA.

E. Sharing or Subletting Booth Space. Exhibitor shall not assign, sublet, share or apportion the whole or any part of the space allotted, or have representatives, products, equipment, signs, printed materials or any representation from any company other than the company contracted and assigned the exhibit space unless such assignment, subletting or sharing is approved in writing by Show Management.

F. Assignment/Transfer. This Agreement is non-assignable by Exhibitor except where assignment is in connection with sale or other transfer of the assignor's trade or business to the assignee, but such assignee shall display only products or services previously manufactured or marketed by the assignor, except with the express written consent of Show Management. In the event of such an assignment, assignor must provide written notification to Show Management at least thirty (30) days prior to the Show.

G. OEM Space Assignments. SEMA shall assign exhibit space to original equipment vehicle manufacturers prior to the exhibit space selection in order to best serve the needs of the Show.

H. Limitation of Services. The Facility's only service is to provide the overall Show with electrical power, water and light as may be reasonably required as well as reasonable heating and/or air conditioning on Show days only, not specific utilities to individual exhibitors. The determination of what shall constitute reasonable for these purposes shall be defined in the sole and unfettered discretion of the Facility.

7. OPERATION AND CONDUCT

A. Exhibit Personnel.

- i. Attendants, models, and other employees and representatives of Exhibitor must confine their activities to the contracted exhibit space.

Legal papers concerning intellectual property rights may only be served pursuant to the procedures set forth in the Intellectual Property Rights Policy, which can be found in the Exhibitor Manual on www.SEMAShow.com. Exhibitors may not serve such papers in the exhibit halls or public areas of the Las Vegas Convention Center unless accompanied by Show Management.
- vi. Booths must be staffed during all Show hours. Exhibitors with booths that are not staffed during Show hours could be subject to loss of seniority points, loss of credentials for future shows and loss of other show privileges as determined by the SEMA Show Committee.
- vii. No area of the Facility shall be used for any improper, immoral, illegal or objectionable purpose.

B. Attire. All Exhibitor personnel and their contractors must wear appropriate apparel at all times. Exhibitors are not permitted to host or sponsor any event off the Show floor that attracts buyers during exhibit hours unless such event is approved in writing by Show Management. Hospitality functions away from the Convention Center shall not open before 6:00 p.m. of each Show day. Hospitality functions at the Convention Center may start at 5:00 p.m.

D. Outboarding. "Outboarding" occurs when a company that is eligible to exhibit at the Show does not exhibit, but hosts buyers at a venue away from the Show during set-up days or Show days. Companies that engage in outboarding may be prohibited from exhibiting at the Show for one to three years as determined by the SEMA Show Committee and may be subject to loss of seniority points. Registration credentials will not be issued to any employee of a company prohibited from exhibiting due to outboarding.

Exhibiting companies are encouraged to protect their investment and report any outboarding to Show Management.

Exhibitor shall not distribute, or permit to be distributed, any advertising matter, literature, souvenir items or promotional materials in or about the Exhibit Areas except from its own allotted exhibit space unless such distribution is approved in writing by Show Management. Exhibitor shall not post or exhibit any signs, advertisements, show bills, lithograph posters or cards of any description on any part of the premises of the Facility, except within the Exhibitor's exhibit space and upon such space as is made available for such purposes by the Facility. Exhibitor shall not affix anything to the walls, columns, carpet, concrete or pavement, nor shall Exhibitor cause or allow anything be projected on space or areas beyond Exhibitor's exhibit space without approval in writing from Show Management and the Facility.

F. Booth Noise. Music or noise emitting from the exhibit space shall not exceed 85 decibels. Exhibitors receiving requests from Show Management to reduce the music volume or noise level must immediately comply with the request or be subject to having the power to the sound system disconnected. After two requests from Show Management to reduce the music volume or noise level in Exhibitor's exhibit space, the power to the exhibit space's sound system may be disconnected for the remainder of the day. If there is a third violation, the power may be disconnected for the remainder of the Show.

Violators are subject to immediate closure of their booth, removal of booth personnel and/or closure of the exhibit for the duration of the Show.

H. Product Comparisons. Product comparisons that identify a company other than Exhibitor are prohibited unless approved in writing by Show Management. The distribution or display of materials showing product, written materials or other content from a company other than Exhibitor is also prohibited.

J. Food and Beverage. Alcoholic beverages may not be served within an Exhibitor's exhibit space without approval in writing from Show Management. Alcoholic beverages may not be served during Exhibitor move-in or move-out under any conditions. Exhibitor shall not bring into the Facility any food or beverages of any kind without approval in writing from the Facility's official caterer.

K. Electrical. Electrical equipment and wiring require evidence of testing and approval by a nationally recognized testing laboratory, and must conform to the electrical codes and regulations as indicated in the Exhibit Display Regulations.

L. Inspection. All displays will be inspected during move-in days and any exhibitor deviating from the Rules must make modifications to its exhibit space at Exhibitor's expense prior to Show opening. If modifications are not made by Exhibitor, Show Management will instruct its official contractors to make any necessary adjustments, at Exhibitor's sole expense. Moreover, Exhibitor shall be responsible for all costs associated with ensuring any activities and displays outside, if applicable, are deemed safe under any and all conditions, as determined by SEMA in its sole discretion. Any costs incurred by Show Management or the Facility to restore the Exhibit Areas to its condition prior to the Show, including but not limited to removal of signs, balloons, tape and other things not removed by Exhibitor, shall be the responsibility of Exhibitor. Exhibitor is responsible for all damage to any property caused by Exhibitor personnel.

R. Intellectual Property Rights, Including Anti-Counterfeiting Policy. As more fully set forth in the separate Intellectual Property Rights Policy included in the Exhibitor Manual on www.SEMAShow.com, which is incorporated herein by reference, all Exhibitors shall comply with the policy on Intellectual Property Rights. Additionally, violation by an Exhibitor of these rules could result in a written warning, removal of offending items from your company's booth, closure of your company's booth, loss of seniority points, rejection of an application to attend or exhibit at a SEMA-sponsored show, rejection or revocation of membership status, and/or exclusion from future SEMA-sponsored shows, as an exhibitor or attendee.

S. Accidents/Incidents. Any accident or incident involving or occurring in Exhibitor's booth, or as it relates to booth personnel must be reported to Show Management as soon as possible. T. Lotteries and Contests. The operation of games of chance or lottery devices, or the actual or simulated pursuit of any recreational pastime is prohibited unless approved in writing by Show Management.

U. Retail Sales. Exhibitors are not permitted to sell products for delivery at the Show, orders may be taken for future delivery only, unless such sales are approved in writing by Show Management.

If found in violation of this section, Exhibitor agrees to surrender recording devices and media content immediately at the request of Show Management and is may be subject to loss of seniority points. No entity may use any audio or visual recording or streaming devices, including film, videotape, DVD, webcam, or any other similar methods which may be available to capture audio or visual at the Show or its events unless approved in writing by Show Management. Recorded content from the Show and its events is available from SEMA and may be provided to third parties, including media outlets and legitimate news organizations. SEMA may provide recorded content for commercial use at prevailing rates. SEMA is responsible for the approval of all requests for access to obtain audio or visual from all SEMA events.

W. Music/Photographs/Other Copyrighted Material. Exhibitor warrants and represents that no music, literary or artistic work or other property protected by copyright, nor the name of any performing artist or group protected by trademark, will be performed, reproduced or used in connection to the Exhibitor's participation in the Show, unless the Exhibitor has obtained written permission from the copyright or trademark owner or applicable performing rights organization (BMI, ASCAP or SESAC). Exhibitor acknowledges that it acts under this Agreement as an independent contractor, charged with the responsibility, in its sole discretion, for selection, performance, reproduction and use of any musical, literary and artistic works in its exhibit space as it deems appropriate and that it undertakes strict compliance with all laws respecting copyrights and trademarks. Exhibitor agrees to indemnify, save and hold harmless Show Management and the Facility and their directors, officers, agents, employees and servants from and against all claims, costs and expenses, including legal fees, demands, actions and liabilities of every kind and character whatsoever with respect to copyright and trademark rights, royalties and fees incurred by reason of Exhibitor's performance, reproduction or use of any musical, literary or artistic works or other property protected by copyright or the name of any performing artist or group in Exhibitor's exhibit space.

8. MOVE-IN / MOVE-OUT / EXHIBIT INSTALLATION & DISMANTLE

A. Freight Target Times. Exhibitors are assigned a specific date and time ("Freight Target Time") by Show Management to systematically unload freight at a designated site at the Show. Missing this time may result in additional fees. However, this does not apply to hand-carry freight or booth vehicles. Exhibitors may also ship freight to the warehouse of the Official Service Contractor (currently, Freeman) prior to the Show. Any freight received at the Official Service Contractor's warehouse will be delivered according to Exhibitor's Freight Target Time. Exhibitors shipping direct to the Las Vegas Convention Center prior to the Show are solely responsible for meeting their Freight Target Times.

B. Material Handling. All material handling during move-in and move-out, as well as the movement of empty crates and the operation of material handling equipment, must be performed by Freeman, except as indicated below. Freeman has the responsibility of managing docks and scheduling vehicles for the smooth and efficient move-in and move-out of the Show. Freeman is not responsible for any material it does not handle. Exhibitors may "hand carry" material, provided material handling equipment is not used. "Hand carry" exhibitors may not be permitted access to the loading dock or freight door areas. See the "Hand Carry Rules" in the Exhibitor Manual on www.SEMAShow.com for more instructions and qualifications.

C. Labor. The Exhibitor agrees to abide by all requirements of Show Management, Freeman, the Facility, and their agents pertaining to the use of union labor in the Exhibit Areas, and to abide by all labor regulations as stated in the Exhibitor Manual on www.SEMAShow.com. Show Management is not liable for changes in union regulations. A labor entity has jurisdiction through a labor agreement with Freeman for the erection, touch-up painting, dismantling and repair of all exhibits when such work is done by persons other than Exhibitor's full-time company personnel. This work includes wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes. The labor entity's jurisdiction does not cover the placement of Exhibitor's products on display, the opening of cartons containing Exhibitor's products, nor the performance, testing, maintenance or repairs of Exhibitor's product. If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card, payroll stub, or have a company payroll report available. This rule prohibits the utilization of workers hired from a non-union agency or company. Exhibitor's full-time company

personnel may set-up the booth, provided the booth, walls, and fixtures can be completed without use of saws, pipe wrenches or power tools (hand tools, electric drills and screwdrivers may be used for installation). For safety reasons, Exhibitors may not do any installation work that requires standing on a ladder over 30 inches high.

D. Display Installation Deadline. All displays must be in place by 3:00 p.m. on Monday, November 4. Display material, cartons and refuse must be removed from the aisles, and empty crates labeled and ready for removal by 3:00 p.m. on the last move-in day.

E. Late Installation. If installation of any exhibit has not started by 3:00 p.m. on the last move-in day, then Show Management and/or Freeman shall erect the exhibit and Exhibitor will be billed for and agrees to pay for all charges incurred. Neither Show Management nor Freeman shall be liable for damages that may occur during this installation.

F. Space Abandonment. Any space not claimed and occupied by 3:00 p.m. on the last move-in day, may be resold or reassigned by Show Management, without obligation on the part of Show Management for any refund to the Exhibitor whatsoever.

G. Removal of Product or Equipment. The removal of product and equipment from Exhibitor's exhibit space prior to the end of the Show requires that exhibitor obtain a merchandise removal pass from Show Management. Nothing may be removed on Friday, the final day of the show, between 1:00 p.m. – 4:00 p.m.

H. Timely Dismantle. Exhibitor agrees to dismantle its display as soon as practical after the end of the Show. If teardown of the exhibit has not commenced by 12:00 noon the day after Show close, then Show Management shall have the exhibit dismantled at the Exhibitor's expense.

I. Early Move-out. Exhibitor shall not initiate move-out or abandon its exhibit prior to the official Show closing time on the final Show day. Violation will cause Exhibitor to be subject to a \$500 fine and loss of seniority points.

J. Safety Requirements / Smoking. Exhibitor shall not allow its display to block the view of, or impede access to fire alarm boxes, fire hose cabinets, fire extinguishers, fire strobe lights, or other safety equipment. Smoking is prohibited in the Las Vegas Convention Center and the Exhibit Areas.

K. Exhibitor-Appointed Contractors (EAC). An EAC is any contractor not listed in the Exhibitor Manual on www.SEMAShow.com as an official SEMA-designated contractor. All Exhibitors using the services of an EAC are responsible for ensuring that the EAC conforms to the regulations included in the Exhibitor Manual on www.SEMAShow.com.

L. Outbound Freight. All freight must be ready for shipment no later than 12:00 noon on Sunday following the Show or Freeman will remove it at Exhibitor's expense. Exhibitor's preferred carrier must check-in by 9:00 a.m. Sunday. Exhibitor freight will be sent with an official freight carrier of Freeman or sent back to Freeman's warehouse where storage fees will accrue if carrier fails to meet check-in deadline. Freight fees under these conditions are generally greater than those paid inbound by the Exhibitor. Exhibitor further agrees to indemnify and hold Show Management harmless against any and all claims which may arise from the dismantling, including without limitation, damages to the premises, the display or personal injury due to holdover by Exhibitor past its allotted time of occupancy.

M. Move-out Security. Exhibitor personnel should remain in the contracted exhibit space until Exhibitor's display materials are secured and accepted by the freight carrier or otherwise removed by Exhibitor. Show Management and Freeman assume no responsibility for exhibit material left unattended in the exhibit hall during move-out. Submission of a Material Handling Agreement to Freeman does not transfer responsibility to Freeman.

9. ADMISSION REGULATIONS

A. Children. No one under 16 years of age is allowed in the Show, including during Exhibitor move-in and move-out.

B. Badges. Admission to the Show is by official Show registration badge. Badges must be worn at all times, including move-in and move-out. Exhibitor is responsible for ensuring badges are provided only to the company's personnel. Exhibitor badges may not be ordered for or transferred to buyers or non-employees. Doing so may result in loss of seniority points. Badges are the property of Show Management and are non-transferable. Exhibitor waives any right to claim for damages against Show Management or the Facility for

the ejection of any person or persons from the Facility by the Facility or Show Management where, in the sole determination of the Facility and/or Show Management, such person or persons have or likely will create a danger to public health and/ or safety or behave in an objectionable manner.

10. SHOW SENIORITY RULES

Any authorized assignments are subject to the Show Seniority Rules implemented by the SEMA Board of Directors, January 1988, as amended January 1990, June 1990, August 1996, January 2007, and April 2008. Awarding seniority points creates no rights for exhibitors. Seniority points are provided to exhibiting companies strictly for the purpose of determining placement of one exhibit location in the next following show and have no other value. The program of providing seniority points for determining placement may be changed at any time by SEMA. SEMA reserves the right to establish placement of companies in any fashion that SEMA determines best serves the purposes of the Show, regardless of prior exhibit space assignments or number of seniority points that have been awarded. Companies are provided one seniority point for each year the company exhibits in the Show with the exception of 2009 when two points were issued for exhibiting. No points are provided if a company pays the exhibit rental price, but does not exhibit or does not staff the booth. Subject to the forfeiture rules set forth below, if a company does not exhibit during any particular year, points awarded from previous years of participation are carried forward, but no additional points are awarded for years in which the company does not exhibit. Points are provided to the company indicated as "Company Name" in Step 1 of the Exhibit Space Rental Application and not to subsidiaries, divisions or brand names; provided, however, seniority points will be awarded to a company's "Exhibit As" name under the specific circumstances set forth in subsections 10.A.i. and 10.A.ii. below. An Exhibitor cannot increase its seniority points by any purchase, acquisition or merger, except as provided herein.

A. Transfer. Seniority points are transferable as follows:

- i. Seniority of Companies Acquired by or Merged into a Parent Company (Acquired or Merged Companies with Pre-Existing Seniority) - In the event a company with pre-existing seniority points is acquired by or merged into a parent company, and the acquired or merged company is exhibiting in the same section as the parent and/or other subsidiaries of the parent with pre-existing seniority points, then all companies will be able to select their booths at the same time based on the number of seniority points accrued by the company with the greatest quantity of seniority points. If, however, the acquired or merged companies with pre-existing seniority points and the parent company are exhibiting in multiple sections at the Show, then each company will be treated as having the number of seniority points it accrued before the merger/acquisition added to the number of points it accrued each year it or its parent exhibited at the Show following the merger/acquisition.
- ii. Accrual of Seniority Points by Companies Acquired by or Merged into a Parent Company – After multiple companies have been acquired by a single parent company, or are merged into one entity, these companies ("divisions/brands" while acquired or merged) will keep pre-existing seniority points and continue to accrue seniority points under their "Exhibit As" name for each year in which they exhibit at the Show, either separately or in the same booth, so long as each division/brand is displayed at the Show under their "Exhibit As" name. Divisions/brands will not forfeit seniority points by reason of absence from the Show so long as the parent company continues to exhibit at the Show during that period.
- iii. Seniority of Companies that are Acquired by or Merged into a Parent Company and Later Divested by the Parent Company – In the event of divestiture of one or multiple divisions/brands of the parent company that had pre-existing seniority points before the acquisition or merger, the divested company will retain the seniority points it had accrued prior to the acquisition or merger plus the seniority it accrued while a part of the parent company. The parent company does not retain the seniority points of the divested company and retains only the seniority points it has accrued by reason of the Show activity of the parent company and its remaining divisions/brands that have not been divested. "Divestiture" shall include sale of brands, product lines, operations and assets. Except as specifically set forth herein, sale or transfer of a name, product line, tooling or a portion or segment of a company shall not constitute transfer of a company for purposes of these Exhibitor Rules and Regulations.

B. Forfeiture. Seniority points are forfeited as follows:

- i. Except as specifically set forth under subsection 10.A. above, companies that dissolve or discontinue operations or that have been acquired forfeit all seniority points.

- ii. Commencing with the 2007 SEMA Show, exhibitors that fail to exhibit at the Show for a period of time, for any reason whatsoever, shall forfeit their seniority points pursuant to the following schedule:
 - Exhibitors that fail to exhibit for two consecutive years lose 50% of their seniority points.
 - Exhibitors that fail to exhibit for three consecutive years lose 75% of their seniority points.
 - Exhibitors that fail to exhibit for four consecutive years lose 100% of their seniority points.
- iii. Exhibitors may forfeit all or a portion of their seniority points as a consequence of any action that is in violation of the Rules as decided by the SEMA Show Committee.
- iv. Forfeited seniority points cannot be restored unless otherwise determined by the SEMA Show Committee. The SEMA Board of Directors is the final authority on all questions regarding this policy. Any authorized assignments are subject to the Show Seniority Rules as stated in subsection 10.A. above. For further information regarding seniority, contact Show Management.

11. VIOLATIONS

The Exhibitor shall be bound by the Rules (as defined in section 2 herein to encompass these Exhibitor Rules & Regulations, the Exhibit Display Regulations and the Intellectual Property Rights Policy), and by such additional rules and regulations which may be established by the Facility and Show Management including, but not limited to, those contained within the Exhibitor Manual on www.SEMAShow.com. Show Management shall enforce all Rules and such additional rules and regulations, and its decision on these matters will be final. All matters and questions not covered by the Rules and such additional rules and regulations shall be subject to the final judgment and decision of Show Management. Any violation by the Exhibitor of any of the Rules and such additional rules and regulations shall subject Exhibitor to cancellation of the agreement to occupy exhibit space, to forfeiture of any monies paid on account thereof, and could make Exhibitor subject to loss of seniority points, loss of credentials for future shows and loss of other show privileges. Upon Show Management notifying Exhibitor of such cancellation, Show Management shall have the right to take possession of the Exhibitor's space, remove all persons and properties of the Exhibitor, and hold the Exhibitor accountable for all risks and expenses incurred in such removal.

12. COMPLIANCE WITH LAWS

Exhibitor agrees to comply with and be bound by all laws of the United States and the State of Nevada, all ordinances of Clark County, and wherever applicable, all rules and regulations of the police department and fire department and those policies and criteria established by the Facility for use of the Exhibit Areas. Exhibitor agrees that this Agreement shall be interpreted and enforced under California law, and this Agreement shall only be entered and/or interpreted in the state or federal courts in the State of California. Exhibitor, by executing this Agreement, submits to the jurisdiction of any and all California courts. Any dispute, cause of action or claim for relief, between or among Exhibitor, SEMA and the Facility regarding the terms, enforcement, interpretation, administration or performance of this Agreement shall be submitted to the California Arbitration Association for binding arbitration pursuant to the Uniform Arbitration Act as codified in California law. Exhibitor must conform to all standard fire codes of the Facility, including the rule prohibiting combustible materials and explosives in and around Exhibit Areas unless approved in writing by Show Management and Facility.

13. ACCESS CONTROL

24-hour access control will be provided from the start of move-in to the end of move-out. Show Management shall not be held responsible for the loss of any material by any cause and urges the Exhibitor to exercise normal precautions to discourage loss due to theft or any other cause. Show Management assumes no responsibility for goods delivered to the Exhibit Areas, or for materials left in the Exhibit Areas at any time. Exhibitors are encouraged to insure exhibit property against loss or theft.

14. DISRUPTION OF SHOW

In the event the Facility or any part thereof shall be destroyed, damaged by fire or other cause, or become unavailable in whole or in part, for a portion or for the entirety of the Show for any reason whatsoever, or if any casualty or unforeseen occurrence shall render the fulfillment of this Agreement impossible, including, without limitation, the requisitioning of the Facility by any governmental entity, then and thereupon SEMA shall modify the Agreement to accommodate the Facility being unavailable and Exhibitor shall accept such modifications, or the Agreement shall be terminable by Show Management at its option. Exhibitor hereby waives any claim against Show Management for damages or compensation for such termination should the Agreement be so terminated. In the event the Show

is interrupted or canceled for any reason, Show Management, at its option, may return a portion of the amount paid for space after deduction of any amounts necessary to cover expenses incurred by Show Management in connection with the Show. Such expenses shall include, but not be limited to, all expenses incurred by Show Management as a result of contracts with third parties for the provision of services or products incidental to the Show, all out-of-pocket expenses incurred by Show Management incident to the Show; and all overhead expenses of Show Management attributable to the production of the Show. No monies will be returned should the dates or location of the Show be changed by Show Management, but Exhibitor will be assigned space which Exhibitor agrees to use under these same rules and regulations. Show Management shall not be financially liable in the event the Show is interrupted, canceled, moved or dates changed except as provided herein.

15. WAIVER OF LIABILITY AND WAIVER OF SUBROGATION

Show Management shall not be responsible for any damage, loss or injury that may happen to the Exhibitor or its agents, servants, employees or property from any cause whatsoever, except the gross negligence or willful misconduct of Show Management, its servants or employees, arising out of Show Management duties and responsibilities under the Agreement. Exhibitor expressly releases Show Management, its directors, officers, agents, employees, assigns and/or servants from any such loss, damage or injury. Show Management and the Facility assume no liability or responsibility for loss or damage to Exhibitor due to fire, theft, breakage or any other reason. Show Management and the Exhibitor agree to waive the right of subrogation by their insurance carriers to recover loss sustained under the respective insurance contracts for real and personal property. Show Management, its staff, employees, or agents assume no responsibility or liability whatsoever in matters relating to restrictions imposed on any Exhibitor by any governmental agency. Exhibitors shall obtain workers compensation insurance, and provide proof of it for all employees of Exhibitor if requested by Show Management.

16. INDEMNIFICATION

Exhibitor, for itself, its directors, officers, employees, agents, representatives, servants, licensees, invitees, patrons, guests and contractors and their personal representatives, assigns, heirs and next of kin (all referred to collectively herein as "Exhibitor") hereby releases, waives, discharges and covenants not to sue SEMA or the Las Vegas Convention and Visitors Authority, their directors, officers, employees, agents, representatives, servants, licensees, invitees, patrons, guests or contractors (all referred to collectively herein as "Releasees") and each of them, from all liability to Exhibitor for any and all loss or damage and any claim or demands therefore on account of injury to the person or property or resulting death of Exhibitor arising out of or relating to the Show, whether caused by the negligence of the Releasees or otherwise. Exhibitor hereby agrees to indemnify, save and hold harmless the Releasees and each of them from and against any loss, liability, damage or cost Releasees may incur from any and all claims, demands, actions, causes of actions, penalties, judgments and liabilities of every kind and description (including court costs and reasonable attorneys' fees) for injury to and/or any death of persons, and damage to and/or loss of property caused by, arising from or growing out of the acts or omissions of Exhibitor incident to the Show, including without limitation, any and all activities Exhibitor may be conducting at the Show, or from any breach by Exhibitor of any term or condition of this Agreement. Exhibitor hereby assumes full responsibility for any risk of bodily injury, death or property loss or damage arising out of or related to the Show, whether caused by the negligence of Releasees or otherwise. Exhibitor hereby agrees that this Release and Waiver, Assumption of Risk and Indemnity Agreement extends to all acts of negligence by Releasees and is intended to be as broad and inclusive as is permitted by the laws of the State of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

17. EXHIBITOR REPRESENTATIVE

The signer of the Exhibit Space Rental Application, by either electronic or wet ink signature, shall be the official representative of the Exhibitor ("Exhibitor Representative") and shall have the authority to act on behalf of the Exhibitor.
