Changes may include, but not be limited

cancellations by Exhibitor. Show Management shall consider email by and
to Exhibitor as acceptance of such changes, and thereby modify the exhibit
fees due from Exhibitor pursuant thereto. If any changes to the Exhibit Space
Rental Application increase the fees due to SEMA for the booth space, SEMA
shall be authorized to make immediate charges to Exhibitor’s credit card on file
in order to ensure Exhibitor is current on its payment plan, as then on file with
SEMA pursuant to the Exhibit Space Rental Application or any subsequent
agreement for payment terms. Changes initiated by Show Management to
Exhibitor’s exhibit space shall be communicated in writing to the email address
provided by Exhibitor on the Exhibit Space Rental Application, and all such

F. Cancellations and Refunds. Cancellation of all or any portion of any
exhibit space by Exhibitor must be made in writing to Show Management.

1. Exhibitor may request a full refund of all monies deposited to Show
Management provided written notification is sent to Show Management
no later than the close of one business day following Exhibitor’s selection
of booth space. Exhibitor’s “selection of booth space” shall be the date on
which Exhibitor is scheduled to select booth space based on the exhibit
space selection order, which is determined in the last week of April. With
respect to this submission, it is irrelevant whether the Exhibitor, or a proxy
for Exhibitor, selects the booth space.
2. Effective one business day following Exhibitor’s selection of booth space,
as determined immediately above, through August 2, Show Management
shall retain 50% of rental cost of each space canceled, as liquidated
damages.
3. Beginning August 2, Show Management shall retain 100% of rental cost
of each space canceled, as liquidated damages.
No refunds are given after August 2 for any reason whatsoever, even if the
Show is sold out. Refunds and liquidated damages are based on full exhibit
space rental cost and not the deposit. Exhibitors canceling a portion of the
contracted space cannot apply deposits for the canceled portion to the
remaining contracted space. Show Management shall not be liable for interest
on any amount refunded. Exhibitor is responsible for all bank fees incurred in
payment of any fees related to the Show. Reduction of booth space, at any
time, may result in the relocation of an exhibit. Cancellation monies cannot be
applied to future shows.
At its discretion, if at any time Show Management deems an exhibit, Exhibitor
or an exhibit’s contents objectionable, Show Management reserves the right
to remove and/or cancel the exhibit space or any portion thereof at Exhibitor’s
sole expense. This reservation includes persons, things, conduct, printed or
matter, signs, products or any item of poor character, which, in the sole
determination of Show Management, is detrimental to or unsuitable for the Show.

maximum of three inches high. There can only be two representations
of a company on the vehicle. Exhibitor must submit a photo of the vehicle to
Show Management and receive written approval from Show Management.

products may be displayed or promoted. Exhibitor shall not have in its booth
any product or display or distribute advertisements for a product that infringes
upon the registered trademark, copyright or patent of another company.
If a request is submitted to Show Management for enforcement of certain
Intellectual Property Rights by an Exhibitor, Show Management shall be
under no obligation whatsoever to facilitate or enforce such requested action
unless under specific orders from a court of competent jurisdiction.
It is understood and agreed that Exhibitors are not permitted to sell products
for delivery at the Show unless such sale is approved in writing by Show
Management. Orders may be taken for future delivery only. Product inventory

products or signage in or above their booth from exhibitor non-exhibiting

activities of non-exhibiting companies are prohibited at the Show.
6. EXHIBIT SPACE ASSIGNMENT
A. Space Selection Process. The method of determining space assignment
is established by Show Management and may be changed from time to
time without notice to exhibitors in order to accommodate that which Show
Management perceives as being in the best interest of the Show. No rights
or privileges are created for any Exhibitor as a result of previous space
assignments or years of participation in the Show. Notwithstanding the
foregoing, space selection is determined by seniority. Immediately set forth
below is the current space selection process:
1. Exhibit Space Selection Order. After the published deadline for submitting
the Exhibit Space Rental Application, the Exhibit Space Selection Order will be established to determine each company's selection time within each seniority group. A company typically earns one seniority point for each year it has exhibited at the Show. SEMA-member and TIA-member companies are given first priority of selecting space. SEMA and TIA member companies can contract before non-members, regardless of seniority. Member companies with the highest seniority points are given the first choice, followed by member companies with one less seniority point, and so on. Non-member companies follow the same process after all member companies have selected.

ii. Assignment Package. Shortly after the Exhibit Space Selection Order is established, each exhibitor will receive an email addressed to the designated "Exhibitor’s Representative" with the Exhibitor’s Assignment Package, which includes information related to their space selection date and time. The Assignment Package email will include the company’s seniority and selection time, which will be a time range of one hour. Important information about the space selection process and a link to the relevant floor plan will also be included.

iii. Space Selection. As each exhibitor’s Exhibit Space Selection Order number comes to the top, Show Management will attempt to reach that exhibitor by telephone at the number provided on the Exhibit Space Rental Application. If the contact is not available at the telephone number provided, Show Management will attempt to reach the exhibit contact at each number indicated on the Exhibit Space Rental Application. During the call, the exhibitor will be asked to view the current online floor plan, which is updated approximately every 30 minutes during space selection, and select its company’s space from the available booths in the pre-designated section. The exhibitor and Show Management view the floorplan at the same time and Show Management will use its best efforts to advise the exhibitor in finding the most desirable exhibit spaces available. If the exhibitor contact is not available, or Show Management is unable to reach the exhibitor contact or another authorized person at the Exhibitor’s company, then Show Management will select a booth space for Exhibitor based on what they deem to be the most desirable booth space still available in the pre-determined section.

iv. Proxy. Exhibitors may appoint a non-company representative to select its space. In order to do so, exhibitor may complete a proxy form on www.SEMAShow.com.

v. Section & Size Changes. There shall be no section changes during the space selection. Size changes may be accepted on a limited basis, provided it can be accommodated and will not impede Show Management's ability to accommodate all other requests previously submitted by every other Exhibitor.

vi. Exhibit Space Confirmation. Exhibit Space Confirmations are sent by email to each exhibitor after space is selected, which is customarily on the same business day in which space is selected. Included in the Exhibit Space Confirmations are (i) the number of the booth selected; (ii) any restrictions that may apply to the booth selected; (iii) pillar diagrams, if applicable; (iv) specific utilities to individual exhibitors on the Exhibit Space Rental Application, if applicable; and (v) further instructions and guidance on how to prepare for the Show.

F. Assignment/Transfer. This Agreement is non-assignable by Exhibitor except where assignment is in connection with sale or other transfer of the assignor’s trade or business to the assignee, but such assignee shall display only products or services previously manufactured or marketed by the assignor, except with the express written consent of Show Management. Freeman may provide unlicensed labor as stated in the Exhibitor Manual on www.SEMAShow.com. Show Management is not liable for changes in union regulations. A labor entity has jurisdiction through a labor agreement with Freeman for the erection, touch-up painting, dismantling and repair of all exhibits when such work is done by persons other than Exhibitor’s full-time company personnel. This work includes wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes. The labor entity’s jurisdiction does not cover the placement of Exhibitor’s products on display, the opening of cartons containing Exhibitor’s products, nor the performance, testing, maintenance, or repairs of Exhibitor’s product. If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card, pay stub, or have a company payroll report available. The Exhibitor agrees that it will not hire freelance workers hired by the exhibitor, including film, videotape, DVD, webcam, or any other similar methods which may be available to capture audio or visual at the Show or its events unless approved in writing by Show Management. Recorded content from the Show and its events is available from SEMA and may be provided to third parties, including media outlets and legitimate news organizations. SEMA shall not be responsible for any content provided for commercial use at prevailing rates. SEMA is responsible for the approval of all requests for access to obtain audio or visual from all SEMA events.

D. Display Installation Deadline. All displays must be in place by 3:00 p.m. on Monday, October 30. Display material, cartons and refuse must be removed from the aisles, and empty crates labeled and ready for removal by 3:00 p.m. on the last move-in day.

E. Late Installation. If installation of any exhibit has not started by 3:00 p.m. on the last move-in day, then Show Management and/or Freeman shall erect the exhibit and Exhibitor will be billed for and agrees to pay for all charges incurred. Neither Show Management nor Freeman shall be liable for damages incurred.
that may occur during this installation.

F. Space Abandonment. Any space not claimed and occupied by 3:00 p.m. on the last move-in day, may be resold or reassigned by Show Management, without obligation on the part of Show Management for any refund to the Exhibitor whatsoever.

G. Removal of Product or Equipment. The removal of product and equipment from Exhibitor’s exhibit space prior to the end of the Show requires that Exhibitor obtain a merchandise removal pass from Show Management. Nothing may be removed on Friday, the final day of the show, between 1:00 p.m.—4:00 p.m.

H. Timely Dismantle. Exhibitor agrees to dismantle its display as soon as practical after the end of the Show. If teardown of the exhibit has not commenced by 12:00 noon the day after Show close, then Show Management shall have the exhibit dismantled at the Exhibitor’s expense.

I. Early Move-out. Exhibitor shall not initiate move-out or abandon its exhibit prior to the official Show closing time on the final Show day. Violation will cause Exhibitor to be subject to a $500 fine and loss of seniority points.

J. Safety Requirements / Smoking. Exhibitor shall not allow its display to block the view of, or impede access to fire alarm boxes, fire hose cabinets, fire extinguishers, fire strobe lights, or other safety equipment. Smoking is prohibited in the Las Vegas Convention Center and the Exhibit Areas.

L. Outbound Freight. All freight must be ready for shipment no later than 12:00 noon on Sunday following the Show or Freeman will remove it at Exhibitor’s expense. Exhibitor’s preferred carrier must check-in by 9:00 a.m. Sunday. Exhibitor freight will be sent with an official freight carrier of Freeman or sent back to Freeman’s warehouse where storage fees will accrue if carrier fails to meet check-in deadline. Freight fees under these conditions are generally greater than those paid inbound by the Exhibitor. Exhibitor further agrees to indemnify and hold Show Management harmless against any and all claims which may arise from the dismantling, including without limitation, damages to the premises, the display or personal injury due to holdover by Exhibitor past its allotted time of occupancy.

M. Move-out Security. Exhibitor personnel should remain in the contracted exhibit space until Exhibitor’s display materials are secured and accepted by the freight carrier or otherwise removed by Exhibitor. Show Management and Freeman assume no responsibility for exhibit material left unattended in the exhibit hall during move-out. Submission of a Material Handling Agreement to Freeman does not transfer responsibility to Freeman.

9. ADMISSION REGULATIONS

A. Children. No one under 16 years of age is allowed in the Show, including during Exhibitor move-in and move-out.

B. Badges. Admission to the Show is by official Show registration badge. Badges must be worn at all times, including move-in and move-out. Exhibitor is responsible for ensuring badges are provided only to the company’s personnel. Exhibitor badges may not be ordered for or transferred to buyers or non-employees. Doing so may result in loss of seniority points. Badges are the property of Show Management and are non-transferable. Exhibitor waives any right to claim for damages against Show Management or the Facility for the exclusion of any person or persons from the Facility by the Facility or Show Management where, in the sole determination of the Facility and/or Show Management, such person or persons have or likely will create a danger to public health and/or safety or behave in an objectionable manner.

10. SHOW SENIORITY RULES

Any authorized assignments are subject to the Show Seniority Rules implemented by the SEMA Board of Directors. January 1988, as amended January 1990, June 1990, August 1996, January 2007, and April 2008. Awarding seniority points creates no rights for exhibitors. Seniority points are provided to exhibiting companies strictly for the purpose of determining placement of one exhibit location in the next following show and have no other value. The program of providing seniority points for determining placement may be changed at any time by SEMA. SEMA reserves the right to establish placement of companies in any fashion that SEMA determines best serves the purposes of the Show, regardless of prior exhibit space assignments or number of seniority points that have been awarded. Companies are provided one seniority point for each year the company exhibits in the Show with the exception of 2009 when two points were issued for exhibiting. No points are provided if a company pays the exhibit rental price, but does not exhibit or does not staff the booth. Subject to the forfeiture rules set forth below, if a company does not exhibit during any particular year, points awarded from previous years of participation are carried forward, but no additional points are awarded for years in which the company does not exhibit. Points are provided to the company indicated as “Company Name” in Step 1 of the Exhibit Space Rental Application and not to subsidiaries, divisions or brand names; provided, however, seniority points will be awarded to a company’s “Exhibit As” name under the specific circumstances set forth in subsections 10.A.i. and 10.A.ii. below. An Exhibitor cannot increase its seniority points by any purchase, acquisition or merger, except as provided herein.

A. Transfer. Seniority points are transferable as follows:

i. Seniority of Companies Acquired by or Merged into a Parent Company (Acquired or Merged Companies with Pre-Existing Seniority) – In the event a company with pre-existing seniority points is acquired or merged into a parent company, and the acquired or merged company is exhibiting in the same section as the parent and/or other subsidiaries of the parent with pre-existing seniority points, then all companies will be able to select their booths at the same time based on the number of seniority points accrued by the company with the greatest quantity of seniority points. If, however, the acquired or merged companies with pre-existing seniority points and the parent company are exhibiting in multiple sections at the Show, then each company will be treated as having the number of seniority points it accrued before the merger/acquisition added to the number of points it accrued each year it or its parent exhibited at the Show following the merger/acquisition.

ii. Accrual of Seniority Points by Companies Acquired by or Merged into a Parent Company – After multiple companies have been acquired by a single parent company, or are merged into one entity, these companies (“divisions/brands” while acquired or merged) will keep pre-existing seniority points and continue to accrue seniority points under their “Exhibit As” name for each year in which they exhibit at the Show, either separately or in the same booth, so long as each division/brand is displayed at the Show under their “Exhibit As” name. Divisions/brands will not forfeit seniority points by reason of absence from the Show so long as the parent company continues to exhibit at the Show during that period.

iii. Seniority of Companies that are Acquired by or Merged into a Parent Company and Later Divested by the Parent Company – In the event of divestiture of one or multiple divisions/brands of the parent company that had pre-existing seniority points before the acquisition or merger, the divested company will retain the seniority points it had accrued prior to the acquisition or merger plus the seniority it accrued while a part of the parent company. The parent company does not retain the seniority points of the divested company and only the seniority it has accrued by reason of displaying Show activity of the parent company and its remaining divisions/brands that have not been divested. “Divestiture” shall include sale of brands, product lines, operations and assets. Except as specifically set forth herein, sale or transfer of a name, product line, tooling or a portion or segment of a company shall not constitute transfer of a company for purposes of these Exhibitor Rules and Regulations.

B. Forfeiture. Seniority points are forfeited as follows:

i. Except as specifically set forth under subsection 10.A. above, companies that dissolve or discontinue operations or that have been acquired forfeit all seniority points.

ii. Commencing with the 2007 SEMA Show, exhibitors that fail to exhibit at the Show for a period of time, for any reason whatsoever, shall forfeit their seniority points pursuant to the following schedule:

<table>

<tr>
<th>Period of Non-Exhibit</th>

Exhibitors that fail to exhibit for three consecutive years lose 75% of their seniority points.

Exhibitors that fail to exhibit for four consecutive years lose 100% of their seniority points.

Exhibitors may forfeit all or a portion of their seniority points as a consequence of any action that is in violation of the Rules as decided by the SEMA Show Committee.

iv. Forfeited seniority points cannot be restored unless otherwise determined by the SEMA Show Committee. The SEMA Board of Directors is the final authority on all questions regarding this policy. Any authorized assignments are subject to the Show Seniority Rules as stated in subsection 10.A. above. For further information regarding seniority, contact Show Management.
11. VIOLATIONS
The Exhibitor shall be bound by the Rules (as defined in section 2 herein to encompass these Exhibitor Rules & Regulations, the Exhibit Display Regulations and the Intellectual Property Rights Policy), and by such additional rules and regulations which may be established by the Facility and Show Management including, but not limited to, those contained within the Exhibitor Manual on www.SEMAShow.com. Show Management shall enforce all Rules and such additional rules and regulations, and its decision on these matters will be final. All matters and questions not covered by the Rules and such additional rules and regulations shall be subject to the final judgment and decision of Show Management. Any violation by the Exhibitor of any of the Rules and such additional rules and regulations shall subject the Exhibitor to cancellation of the agreement to occupy exhibit space, to forfeiture of any monies paid on account thereof, and could make Exhibitor subject to loss of seniority points, loss of credentials for future shows and loss of other show privileges. Upon Show Management notifying Exhibitor of such cancellation, Show Management shall have the right to take possession of the Exhibitor’s space, remove all persons and properties of the Exhibitor, and hold the Exhibitor accountable for all risks and expenses incurred in such removal.

12. COMPLIANCE WITH LAWS
Exhibitor agrees to comply with and be bound by all laws of the United States and the State of Nevada, all ordinances of Clark County, and wherever applicable, all rules and regulations of the police department and fire department and those policies and criteria established by the Facility for use of the Exhibit Areas, and all applicable rules and policies regarding vaccines, COVID-19 and other infectious diseases and public health concerns, including but not limited to those of SEMA and Show Management. Exhibitor agrees that this Agreement shall be interpreted and enforced under California law, and this Agreement shall only be entered and/or interpreted in the state or federal courts in the State of California. Exhibitor, by executing this Agreement, submits to the jurisdiction of any and all California courts. Any dispute, cause of action or claim for relief, between or among Exhibitor, SEMA and the Facility regarding the terms, enforcement, interpretation, administration or performance of this Agreement shall be submitted to the California Arbitration Association for binding arbitration pursuant to the Uniform Arbitration Act as codified in California law. Exhibitor must conform to all standard fire codes of the Facility, including the rule prohibiting combustible materials and explosives in and around Exhibit Areas unless approved in writing by Show Management and Facility.

13. ACCESS CONTROL
24-hour access control will be provided from the start of move-in to the end of move-out. Show Management shall not be held responsible for the loss of any material by any cause and urges the Exhibitor to exercise normal precautions to discourage loss due to theft or any other cause. Show Management assumes no responsibility for goods delivered to the Exhibit Areas, or for materials left in the Exhibit Areas at any time. Exhibitors are encouraged to insure exhibit property against loss or theft.

14. DISRUPTION OF SHOW
In the event the Facility or any part thereof, or other venues or hotels needed for the Show, shall be destroyed, damaged by fire or other cause, or become unavailable in whole or in part, for a portion or for the entirety of the Show for any reason whatsoever, or if any casualty or unforeseen occurrence (including but not limited to COVID-19, or other epidemics or pandemics) shall render the fulfillment of this Agreement impossible, illegal, commercially impracticable or inadvisable, including, without limitation, the requisitioning of the Facility by any governmental entity, then and thereupon SEMA shall modify the Agreement to accommodate the Facility being unavailable and Exhibitor shall accept such modifications, or the Agreement shall be terminable by Show Management at its option. Exhibitor hereby waives any claim against Show Management for damages or compensation for such termination should the Agreement be so terminated. In the event the Show is interrupted or canceled for any reason, Show Management, at its option, may return a portion of the amount paid for space after deduction of any amounts necessary to cover expenses incurred by Show Management in connection with the Show. Such expenses shall include, but not be limited to, all expenses incurred by Show Management as a result of contracts with third parties for the provision of services or products incidental to the Show, all out-of-pocket expenses incurred by Show Management incident to the Show; and all overhead expenses of Show Management attributable to the production of the Show. No monies will be returned should the dates or location of the Show be changed by Show Management, but Exhibitor will be assigned space which Exhibitor agrees to use under these same rules and regulations. Show Management shall not be financially liable in the event the Show is interrupted, canceled, moved or dates changed except as provided herein.

15. WAIVER OF LIABILITY AND WAIVER OF SUBROGATION
Show Management shall not be responsible for any damage, loss or injury that may happen to the Exhibitor or its agents, servants, employees or property from any cause whatsoever, except the gross negligence or willful misconduct of Show Management, its servants or employees, arising out of Show Management duties and responsibilities under the Agreement. Exhibitor expressly releases Show Management, its directors, officers, agents, employees, assigns and/or servants from any such loss, damage or injury. Show Management and the Facility assume no liability or responsibility for loss or damage to Exhibitor due to fire, theft, breachage of contract, breach of agreement, or for any other reason. Show Management and the Exhibitor agree to waive the right of subrogation by their insurance carriers to recover loss sustained under the respective insurance contracts for real and personal property. Show Management, its staff, employees, or agents assume no responsibility or liability whatsoever in matters relating to restrictions imposed on any Exhibitor by any governmental agency. Exhibitors shall obtain workers compensation insurance and provide proof of it for all employees of Exhibitor if requested by Show Management.

16. INDEMNIFICATION
Exhibitor, for itself, its directors, officers, employees, agents, representatives, servants, licensees, invitees, patrons, guests and contractors and their personal representatives, assigns, heirs and next of kin (all referred to collectively herein as “Exhibitor”) hereby releases, waives and discharges SEMA or the Las Vegas Convention and Visitors Authority, their directors, officers, employees, agents, representatives, servants, licensees, invitees, patrons, guests or contractors (all referred to collectively herein as “Releasees”) and each of them, from all liability to Exhibitor for any and all loss, damages, claims or demands therefore on account of injury to the person or property or resulting death of Exhibitor arising out of or relating to the Show, including but not limited to injury, loss or death arising out of exposure to or contracting COVID-19 or any other disease or illness, whether caused by the negligence of the Releasees or otherwise (but not the gross negligence or willful misconduct of Releasees) and Exhibitor further covenants not to sue, file or maintain any action in law or equity against the Releasees in connection with any such loss, damages, claims or demands. Exhibitor hereby agrees to indemnify, save and hold harmless the Releasees and each of them from and against any loss, liability, damage or cost Releasees may incur from any and all claims, demands, actions, causes of actions, penalties, judgments and liabilities of every kind and description (including court costs and reasonable attorneys’ fees) for injury to and/or any death of persons, and damage to and/or loss of property caused by, arising from or growing out of the acts or omissions of Exhibitor incident to the Show, including without limitation, any and all activities Exhibitor may be conducting at the Show, or from any breach by Exhibitor of any term or condition of this Agreement. Exhibitor hereby assumes full responsibility for any risk of bodily injury, death or property loss or damage arising out of or related to the Show, whether caused by the negligent acts of the Releasees, or otherwise. Exhibitor hereby agrees that this Release and Waiver, Assumption of Risk and Indemnity Agreement extends to all acts of negligence by Releasees and is intended to be as broad and inclusive as is permitted by the laws of the State of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

17. EXHIBITOR REPRESENTATIVE
The signer of the Exhibit Space Rental Application, by either electronic or wet ink signature, shall be the official representative of the Exhibitor ("Exhibitor Representative") and shall have the authority to act on behalf of the Exhibitor.
